

# LLOYD GEORGE DEFERS ACTION

British Premier Will Retain Office for Some Time

LONDON, March 7.—(By The Associated Press)—Lloyd George had deferred his resignation without giving his colleagues any pledge to future action regarding the membership, according to the most reliable sources of information representing The Associated Press today.

It is commonly accepted that he will retain leadership of the government until Irish legislation has been completed and possibly until the Geneva conference. He is credited with an earnest desire to go to Geneva and will devote all his time to preparations for the trip during convalescence at his country home in Wales.

No where has it been reliably suggested that his illness is assumed for diplomatic reason and it is said by his friends that he needs a complete rest.

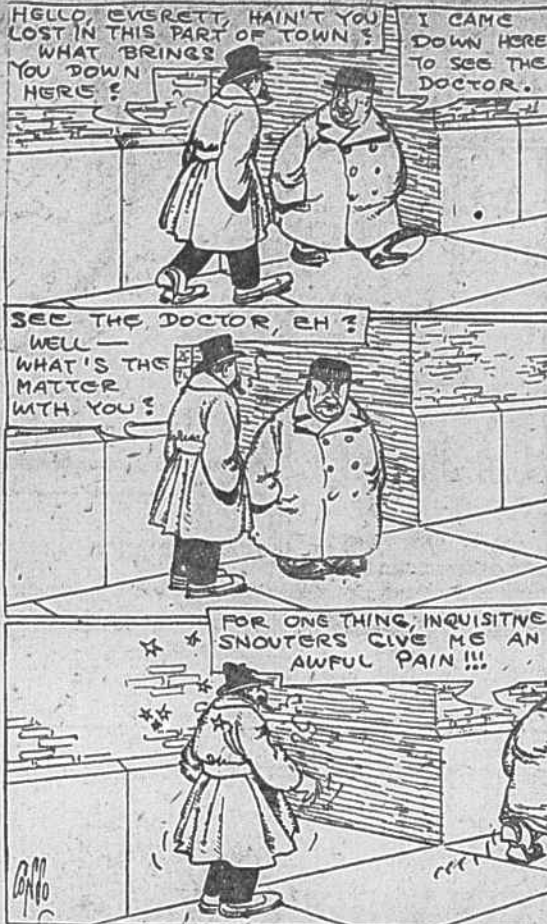

The prime minister has held care-laden ministerial offices for 16 consecutive years, including the period of his premiership. He stood up during the most trying years of the war and period of peace settlement and his admirers declare that any man of less hardy physique would have collapsed long ago.

## Colored Queen Booked by Hippodrome Theatre

Mamie Smith, the famous colored phonograph star and her big company of entertainers have been booked for three appearances at the Hippodrome theater on March 14 and 15. Ever since Mamie Smith made her first appearance on the phonograph records, she has been a tremendous favorite both in New York and throughout the entire country. No colored singer has ever attained the degree of popularity in so short a time as has come to Mamie. She carries a full company of well-known colored players with her, including her own jazz band, known as the "Mamie Smith Jazz Hounds." This season

# CAROLINA MINERS VOTE FOR STRIKE

Unanimous Vote Cast by Local Union on Saturday

CAROLINA, March 7.—Local No. 4048 United Mine Workers of Carolina held a referendum vote Saturday on the question submitted to the local unions throughout the United States by the Indianapolis convention two weeks ago, whether or not the miners shall continue working after April 1, on which date the present contract between the miners and operators expires. The result of the voting here was unanimously in favor of a suspension of work until a new contract is made. Practically all the men in camp voted, there being 303 ballots cast. The union men object to the use of the word "strike" in reference to the coming crisis, saying that when the present contract expires the miner will simply "be out of a job" until some working basis for a new agreement is reached which will be mutually agreeable to all concerned.

Leaves for Logan County Raymond Leasor of Worthington will leave this week for the Logan county coal fields where he will erect a tippie for the Fairmont Mining Machinery company. Her birthdays are always remembered by her family and friends each year and each visit is a source of much pleasure to her.

# Studebaker NEW BIG-SIX

Series 22

## At the Show!

The New Studebaker Cars, now on display at the Show, insure a continuance of Studebaker leadership in motor car VALUE.

In the New BIG-SIX you get the wonderful performance of its 60-horsepower motor, the roominess of its seven-passenger Studebaker-built body, its unusually easy gear shifting, and steadiness on the road at all speeds.

There is distinctiveness of appearance in its beaded edge body, tailored top, massive head lamps, graceful cowl parking lamps, and

clear-vision, one-piece rain-proof windshield.

But basically, the New BIG-SIX is the same dependable car that contributed much to making 1921 a Studebaker Year.

If you pay more than the price of the New BIG-SIX you may buy more weight, but is impossible to get finer materials or better workmanship. Its light weight and the use of the highest quality materials, contribute in making the New BIG-SIX the greatest 7-passenger automobile value on the market today.

### Look for These Features in

- 60-H.P., 3½ x 5-in. motor with detachable head.
- Dry plate disc clutch which makes the shifting of gears unusually quiet and easy.
- Intermediate transmission.
- A new seven-passenger body mounted on a sturdy chassis of 126-in. wheelbase, with heavy beaded edge, graceful cowl, larger and higher hood, built complete in Studebaker plants.
- New one-piece rain-proof windshield that gives broader vision. Windshield wiper. Cowl parking lights, miniature of headlights, in corners of windshield.

### The New Big-Six at the Show

- Cowl ventilator, operated from dash. Courtesy light on driver's left. Tonneson light with extension cord.
- Massive and artistic headlights with improved deflecting and diffusing lenses.
- Deep, luxurious cushions upholstered in hand-buffed genuine leather. Large plate glass window in rear of tailored top.
- Tool kit in pocket on left side of driver, locked with same key that fits transmission lock and ignition switch.
- 28x4-inch cord tires.
